PROFESSIONAL SUMMARY

Accomplished crypto and finance writer and editor with over 11 years of experience and 2,000+ published articles. Expertise spans digital assets, investing, and personal finance. Adept at translating complex concepts into clear, actionable content, leveraging deep DeFi and market knowledge alongside advanced SEO, GEO, and editorial workflows. Work featured in leading outlets including Finder, Finbold, Cryptonews.com, ValueWalk, 99Bitcoins, ReadWrite, InsideBitcoins, Fox Business, and MSN Money.

EXPERIENCE

Kliment Dukovski Portfolio – Independent Crypto Writer & Publisher 2026 – Present

- Research and publish original crypto and financial-technology articles using primary sources, original comparisons, risk analysis, and SEO/GEO-friendly structure.
- Built and manage a GitHub Pages publication and recruiter portfolio, including article metadata, structured data, internal linking, and cross-platform content distribution.

ClickOut Media – Crypto Editor/Writer – Remote Sep 2023 – Dec 2025

- Authored or ghostwrote more than 1,400 articles, including how-to-buy guides, token and exchange reviews, news, PR, and conversion-focused promotional content.
- Updated and edited WordPress content to meet SEO and GEO requirements while maintaining accuracy, clarity, and a consistent editorial voice.
- Work appeared on Cryptonews.com, ValueWalk, 99Bitcoins, ReadWrite, and InsideBitcoins.

Finbold Stocks – Writer – Remote Jun 2023 – Sep 2023

- Wrote more than 100 stock-market news articles and created three reusable article templates that increased reader engagement by more than 500%.

Finder – Personal Finance & Investments Writer – Remote Feb 2018 – Feb 2023

- Authored more than 700 articles covering cryptocurrencies, stocks, options, ETFs, credit cards, home loans, and other personal-finance topics.
- Updated and optimized content for search, helping multiple pages rank on Google's first page and reach the top position for selected keywords.
- Recommended partner placements and affiliate-table configurations that improved conversion performance.
- Personal-finance articles were featured by Fox Business, MSN Money, and MediaFeed.

Various Clients – Freelance Content Writer Feb 2015 – Feb 2018

- Produced cryptocurrency and forex content for multiple clients across educational, commercial, and market-focused projects.
- Tested more than 200 Expert Advisors (automated trading systems) and wrote an ebook comparing their performance across different market conditions.
